

Plan to Open New Tennis Courts May 7

ASSOCIATION ELECTS ROBERT E. PATTISON, JR., PRESIDENT FOR COMING SEASON—MANY MEMBERS ATTEND ANNUAL MEETING.

Present plans are to open the new courts of the Narberth Tennis Association at Haverford and Montgomery Avenues on Saturday, May 7.

This announcement was made at the annual meeting of the Association, which was held last Saturday evening in the Community Room of the Y. M. C. A. Building, and which was attended by a large representation of the membership.

In the annual election, which was also a feature of Saturday night's meeting, Robert E. Pattison, Jr., who has been Vice-President and Chairman of the Entertainment Committee during the past year, was chosen President, succeeding A. J. Newell.

Walter Cowan was elected Vice-President; A. C. Staples was re-elected Treasurer; W. D. R. Evans was elected Secretary, succeeding Jesse S. Harris, and the following were elected members of the Board of Governors: A. T. Gragan, William J. Kirkpatrick and A. P. Redifer, Sr.

The membership of the Association this year will be increased from 80 to 125, and those desiring to join should make application at the earliest possible date. An application for membership may be made to any member, and each application must bear the endorsement of two members.

Trustees' Report on New Grounds.
The report of the Board of Trustees of the Association, which is in charge of the new grounds project, and which was presented at last Saturday night's meeting, follows:

"Your Board of Trustees reports that in accordance with the plan adopted at the last annual meeting of the Association, steps have been taken to acquire, through purchase, the plot of ground locally known as the Odell property, situated on Haverford Avenue near its juncture with Montgomery Pike.

"A lease was entered into as of July 1, 1920, with Messrs. A. J. Loos and Fletcher W. Stiles, owners of the property, whereby the Association became in immediate possession of the property on a rental basis, pending the fulfillment of plans for purchase.

"Your Board submits the report of the Treasurer as of March 3, 1921, in which the receipts from the sale of Participating Certificates of Ownership and the expenses of your Board are set forth. This report of the Treasurer shows total receipts from the sale of non-interest-bearing and interest-bearing certificates of \$3,095, all of which has been expended on the new grounds.

"The plan under which your Board is working at your direction calls for the sale of \$4,000 worth of 6 per cent. interest-bearing certificates of ownership during 1921, and this must be done

THE FIRESIDE

Soon time to dig out the fishing tackle.

Henry Allen has returned from the hospital.

Meet us at the Y. M. C. A. Gym., Thursday evening.

Mrs. Henry Rose was taken suddenly ill on Monday. Her condition is somewhat improved.

Mr. Henry Rose spent Sunday at Easton, Maryland, visiting Charles E. Humphreys.

Mrs. Frank Millang, Jr., of Elmhurst, New York, spent several days in Narberth last week.

The money saved in the forenoon of life enables us to rest during the weary hours of the afternoon.

Miss Ava C. Mulholland is home from Connecticut College for Women, for the Easter holidays.

Our Town acknowledges with thanks a donation of \$10.00 from the Narberth Tennis Association.

Mrs. William S. Howard, of Elmwood Avenue, is spending the week at Atlantic City.

Don't miss the illustrated lecture on "Color in the Garden," in the Y. M. C. A. Gym., on Thursday, March 31st.

A few days like Monday, when the thermometer registered 88, would bring out many winter furs. Just a little patience; it will soon be warm enough to wear them.

CIVIC ASSOCIATION ANNUAL MEETING
NEXT THURSDAY EVENING, MARCH 31,
Y. M. C. A. GYMNASIUM, AT 8 O'CLOCK

ELECTION OF OFFICERS AND DIRECTORS

Narberth Garden Club to Be Organized at This Meeting

As a special feature for their Annual Meeting, the Officers of the Civic Association have arranged for an illustrated lecture—and a very interesting one—by Miss Emily Exley, the well-known horticulturalist.

Miss Exley's subject will be, "Beauty in a Small Garden With Color Effect," and the colored slides that will be shown have been made after much painstaking labor and expense. The lecturer has a thorough knowledge of her subject, gained in this country and abroad, and Narberth is indeed fortunate to secure her services through the influence of one of our friends who have made her visit possible.

We all have gardens, some large, but mostly small, and at this season of the year we are anticipating the beauties of nature in the months to come—let us see nature at her best in pictures, and learn how we can have more beautiful home grounds and a more beautiful town.

Come and Bring Your Neighbors.
Everyone Welcome.

Community Club Notes

THE WORLD OF THE WILDFOLK
AS DESCRIBED BY
MR. SCOVILLE.

Narberth was very fortunate to secure Mr. Samuel Scoville to talk on his favorite subject at the Woman's Club on Tuesday. Mr. Scoville lives in two worlds—the world of law and the world of nature. He scarcely touched on man's law, but described the laws of birds, flowers, and snakes as a most fascinating study. Mr. Scoville claimed that the joy of life as found in the open is not what we know as contentment or pleasure, but a something that the Greeks had and that children have.

Just to touch upon some of his descriptions of the birds, it was interesting to note that our third smallest bird, the winter wren, sings with throbbing, glassy, dancing notes, and is a most polite little fellow, for when being observed he makes a courtesy before flying away. The hermit thrush (which can be distinguished by his red tail) has a voice of high pitch, sounding like chiming bells, which soars higher and higher until it is beyond the hearing of the human ear.

The wailing song of the American bittern is not made under water, as is generally supposed, for the bird first

Two Big National Holidays For Narberth

FRIDAY, APRIL 15 AND SATURDAY,
APRIL 16

On the evenings of these dates "THE ROSE MAIDEN" oratorio will be rendered by the NARBERTH CHORAL SOCIETY in the School Auditorium. This will be the first anniversary production of this splendid Chorus of 75 of the best singers of Narberth, and it's going to be your loss if you miss it!

There will be also an orchestra of about ten pieces to accompany the Chorus, entirely composed of Narberth talent, the personnel of which will be announced in a later issue of Our Town.

This will be the finest musical concert ever produced in or near Narberth, and has the personal endorsement and co-operation of all the public spirited men and women of Narberth. Make a mental note of these dates, and secure your admissions early as there will be a limited supply of tickets.

The solos in this Oratorio will be rendered entirely by members of the Choral Chorus—in other words, the whole production will be all home talent, and N. B. A.—"None better anywhere!"

The Board of Directors and the members of the Narberth Choral Society wish at this time to thank the School Board for the courtesy shown, and the opportunity afforded to give the first concert of the Choral in the School Auditorium. The proceeds of these concerts will be turned over for the benefit of School activities.

In order to secure a tone balance for the first concert, it was necessary for the membership of the Chorus to close with last Monday's rehearsal, March 21. However, the Active Membership Committee is forming a waiting list of new applicants who will be admitted to membership after the first concert.

The Choral Society had its "regular" rehearsal last Monday evening, and showed exceptional progress.

The whole Chorus was appointed as an Associate Membership Committee to secure Associate Members, and if, fair reader, you are not approached, do not feel slighted, but just telephone Mr. J. D. Murphy, (Narberth 1650) or Mr. F. R. Mitchell (Narberth 1274 M), who are Captains of the two teams of the Choral in this matter, and they will furnish you full details.

At a special meeting of the Board of Directors of the Choral Society, Mr. Joseph McGarrity was appointed a Director of the Board, and J. Holland Heck, Financial Secretary.

Among the interested sponsors of the Choral, who attended the rehearsal last Monday evening, showing their great interest in this Chorus and its community work, were Mr. and Mrs. H. R. Hillegas, who expressed great pleasure with the astounding results so quickly obtained.

OUR RETIRING EDITOR.

In last week's issue of Our Town Mr. Harry A. Jacobs said a word in parting as our editor, a position which he has held for five and one-half years and during which time his diplomacy, optimism, patience and self-sacrifice were tested. He has borne his burdens well and will continue as one of Narberth's best citizens, lending his aid in other lines of work.

At a regular meeting of the Narberth Civic Association held March 24th, 1921, the following resolutions were adopted:

Whereas, In the year 1914 members of the Narberth Civic Association undertook to publish a weekly newspaper for the benefit of the residents and merchants of Narberth, and

Whereas, Active members of this organization have voluntarily acted as editors and associate editors for a period of six and one-half years and have continued to publish the newspaper known as Our Town, and

Whereas, During the past five and one-half years Mr. Harry A. Jacobs has served as editor of Our Town and has performed his duties ably and faithfully, at a great sacrifice of his time, with a true sense of loyalty to his friends, associates and neighbors; be it therefore

Resolved, That the people of Narberth, through the Narberth Civic Association, do hereby extend to Mr. Harry A. Jacobs a sincere expression of their appreciation for the service which he has rendered this organization and the community which it represents; and be it further

Resolved, That a copy of this resolution be spread on the minutes of the meeting and a copy published in the columns of Our Town.

ANNOUNCEMENT.

Mr. Philip A. Livingston assumes the editorship of Our Town with this issue. A splendid spirit of co-operation has made our weekly newspaper possible, and a continuance of this same spirit in the broader field we have today will make a better paper.

Please remember every citizen of Narberth is a news reporter; activities of the individuals and organizations is news to our readers.

What do you want to read in Our Town? It is probably just what the other readers want. Write it or clip it, and send it in to Our Town, Box 966, any week before Wednesday evening, and it will be published if at all possible in the issue of the following Saturday.

ROBERT J. EDGAR, President,
Narberth Civic Association.

TO OUR READERS.

In taking up the work as Editor of Our Town, I can do little better than to follow the excellent example set by my predecessor, Mr. Jacobs.

Special effort will be made in the future to fill Our Town with material which will make its weekly appearance of constantly increasing interest. It is to this end that your assistance and co-operation is requested.

Very truly yours,
PHILIP A. LIVINGSTON,
Editor.

Some definite action should be taken to curb the ever-increasing nuisance of wild dogs and cats in Narberth.

The danger from the packs of ownerless or apparently ownerless dogs in the summer time is apparent. Large numbers of unmuzzled dogs will be a menace to the children of the community, and there is not much time in which to organize a campaign against them.

Within a month, the great influx of our migratory and resident birds will take place, and Narberth will receive its quota of nesting birds. The greatest menace to the lives of the young birds is the cat, and no more effective means of barring our welcome wild bird visitors can be found than to tolerate the presence of these stray cats.

It is the duty of each pet fancier to control his own dog or cat, and to assist in exterminating the overflow.

The Narberth Co-operative Observer of the Weather Bureau sends us the following:

The past winter, which officially ended on March 21, was so extremely mild that the following comparisons with the previous winter may be of interest:

	1921.	1920.
Total snowfall, in inches and tenths	14.2	33.6
Lowest temperature	3	0
Days when average temperature was 32 or below..	27	66

The temperature excess from January 1 of the present year to March 21 amounts to 606 degrees, while the excess since March 1 amounts to 335 degrees.

These temperature figures are the highest for March since observations were started at Narberth.

THE AUTOMOBILE SPEEDER

All over the country police forces are getting after automobile speeders. Yet the speeding keeps infecting more men. More than 40,000 people were arraigned in the traffic court of New York City for this offense last year. Whenever a sincere effort is made to enforce automobile regulations similar reports come in.

The speed mania affects many people who usually are courteous and considerate. Many of them have no eye for distance and have no conception of their rate of speed. The figures on their whirling speedometers mean nothing to them.

Fining never will stop these fellows, so far as experience in Pennsylvania goes to show. Forbid them from driving cars on the street for a long period and they will reflect on the unpopularity of their course.

FLY CAMPAIGN OPENED

"KILL FLIES and SAVE LIVES," was the slogan adopted by representatives from twelve of the fifteen localities along the Main Line organized to eliminate the fly from that section this summer.

Banded together for a simultaneous fly and mosquito campaign, representatives from organizations in twelve Main Line towns met in the office of the Suburban Association to formulate plans for the campaign.

It was decided to open the campaign Monday, April 4th, with a determined effort to wipe out the breeding places of the fly and prevent him from getting a start.

Swatters and fly traps will be incidental, because it is expected that they will only be needed to catch the stray flies that may be carried into the section by trucks or by very strong winds. The committee of women in each locality are determined that the fly shall not get a start.

The committees of each locality will organize vigilant committees. The committees will solicit the help of the Boy Scouts and the Girl Scouts to locate all stables. These will be charted and then the Boards of Health will be asked to enforce their regulations so as to prevent any stable from becoming a breeding place for flies. Dr. Wm. C. Miller, of the State Department of Health, states that ninety per cent. of the flies breed in stables.

More babies die during the summer, says Dr. Miller, because of the fly, and if flies are destroyed, it means the saving of thousands of babies' lives.

Everybody will be asked to clean up their back yards, because it is found that flies lay their eggs on wet paper, and mosquitoes breed in old tin cans.

The storekeepers will be asked to protect their food from flies by screens.

The Board of Health of Lower Merion, Haverford, Radnor, Easttown and Treddlyffrin Townships, and the Borough of Narberth, as well as the School Boards of these districts, have also expressed a desire to co-operate. This will mean a solid front from Bala-Cynwyd to Malvern of organized men, women, boys and girls, fighting the common enemy to health—the fly. The committees hope everyone will join in the battle and rid this section of the greatest disease carrier known to science.

J. Heron Crossman, chairman of the Sanitation Committee of the Suburban Association, is chairman of the General Fly and Mosquito Campaign Committee for the Main Line. The following members of the committee are chairmen of their respective localities, and will organize committees in their districts to carry out the program within their territory, so that there will be an unbroken chain along the entire line:—

Dr. J. R. Brewster, of Bala-Cynwyd; Mrs. Thos. W. Andrews, Merion; Mrs. C. P. Fowler, Narberth; H. Bartol Brazier, Wynnewood; Mrs. Harland Nicholson, Ardmore; Mr. Wm. J. Seril, Haverford; Mrs. J. Enott Caldwell, Bryn Mawr; Miss Aubrey Hayden, Rosemont; Mr. Louis Jaquette Palmer, Wayne; Mrs. Chas. W. Ruschenberger, Strafford; J. Clifton Buck, Devon; Mrs. R. Mason Lisle, Paoli; and Mrs. Thos. E. Barker, Gladwyn.

The headquarters for the Campaign will be in the office of the Suburban Association, Merion Title Building, Ardmore, Pa.

The Brass Knocker

When we left the house last Monday morning for our usual train—the 8 o'clock—we were under the impression that there was plenty of time, but upon approaching the station the sudden appearance of the train caused us to flee madly up to the platform. All had not yet boarded, so we waited our turn, clambered aboard and sat down. Our responsibility having ended, we settled back to let the railroad company do the rest—at \$6.68 for 60 performances. The brakeman yelled "Right," the motorman's whistle squeaked twice and the train started slowly. Then we heard a voice, "Don't get on! Keep off! Don't get on!" Turning in the direction of the excitement, we saw a little old lady of an age past uncertainty enter the car. Still the voice continued to implore someone not to try to get on, and the air brakes suddenly went on. Then a second little old lady, the twin of the first, entered with an unconcerned air. The question entered our mind, "If they had failed to make the train, would they have hopped the next freight for the city?" Narberth cannot be so slow when there are ladies of advanced years hopping trains like business men of several years' practice.

In the last issue of this paper the report of the Chamber of Commerce meeting states that the cost of new and additional lights for Haverford Avenue would be about \$168 more than the present system. \$168 how often?

There are a considerable number of copies of Our Town sold for three cents each week. The business manager wants to know why these regular weekly customers do not subscribe. We have a theory. They do not wish to pay for 52 copies all at once because there might be a copy or two which they would not care to purchase. By thus buying separately, three cents may be saved at odd times!

The report of the last meeting of the Junior Branch of the Women's Community Club characterizes ice cream cones and candies as "novel" refreshments. Ah, yes, quite so, ice cream cones—what are they?

The outboard door of the postoffice has been braced with wire against sagging. We would call the attention of the postmaster to the fact that this wire looks to be very efficient, but has absolutely no effect on the door unless tightened.

OLD TIMER.

About the Coming Alumni Meeting

REORGANIZATION TO BE TAKEN UP AT SPECIAL BUSINESS MEETING CALLED FOR APRIL FOURTH.

The Executive Committee of the Narberth High School Alumni Association has called a special business meeting, to be held Monday evening, April 4, at 7.45 sharp.

At this meeting the members will be given an opportunity to take action on the many changes proposed in the organization of the Association.

On Monday of this week notices were mailed to each member for whom the Secretary has an address. If you did not receive one, notify some member of the Committee at once and you will receive all future communications.

The Alumni Association of any school or college should be the source of a large part of the constructive criticisms which serve as a stimulus for improvement. Because of our former small number of members, the Association has never got on its feet sufficiently to be felt as an influence in school life.

The meeting on April 4 will open a new era in the Alumni Association's life. With nearly a hundred graduate members, and more coming in each year, there is a great opportunity for this body to take a leading part in school and town affairs.

The attendance at this special meeting will, as usual, consist of those members who are interested in their Alma Mater, and it is these members with spirit who will be the strongest factors in the rejuvenated Alumni Association.

The Executive Committee: Margaret Eyre, President; William H. Durbin, Vice-President; Dorothy Wilson, Charles McCarter, Jr., Philip A. Livingston, Secretary.

THESE GEESE WERE COSTLY

That it is becoming a serious matter to violate the Federal migratory bird treaty act is evidenced by the fact that a violator in New Jersey was fined \$200 recently and sentenced to 10 days in jail for killing wild geese after the close of the Federal open season. The geese were killed during the latter part of February, whereas January 31 is the last day that the Federal law permits the hunting of migratory wild fowls, including ducks and geese, anywhere in the United States.

A "Little Too Much" For the Single Men

AND SO THIS TIME THE SCORE IN THE CONTINUOUS BASKETBALL STRUGGLE AMONG THE TENNIS PLAYERS WAS 24 TO 12—MARRIED MEN THREATEN TO GET VERY COCKY!

Well, they did it again last Wednesday night, they did! And this time the score was: Married Men, 24; Single Men, 12.

Jim Donnelly, looking down into the arena of the High School gym, after the attendants had dragged out the bull, and the victorious matadors were strutting around in all the puffed-up glory of their fourth triumph—well, Jim just heaved a regular Edwin Booth sigh, and said: "If you were to ask for my opinion, I would simply say that 'Little by Little' the Married Men forged ahead and won!"

And that's pretty nearly the straight dope. From the viewpoint of the Single Men there certainly was a Little too much, or, if you prefer, "Much too Little."

But what are you going to do about it? Along comes a smiling, good natured fellow and says: "My name's Little; can I play with you?"

So they took Mr. Little in, and then, just when the Single Men were within striking distance of a victory—score at end of first half, M. M. 11, S. M. 9—up pops this man Little—jealous, we imagine, of all the publicity Roy Williams got last week, and proceeds to throw one goal after another until he had a total of 7 from the field and 2 from fouls, for a total of 16 points, or 3 more points than were necessary to beat the Single Men, with his own personal score.

About the only other thing that remains to be said is that our Sporting Editor wishes to call public attention to the very rough way Perry Redifer, Jr., treated Bill Boryer. Bill's a rather frail and delicate child, Perry, and you ought to be more careful of him. The next time you play, see if you can't be a little more gentle with Bill. Don't upset him so often and give him a chance.

The line-up and score follows:
Married Men. Position. Single Men.
Williams..... ForwardScanlon
Little..... ForwardWayne Harris
Boryer..... CenterFretz
Fenno..... GuardRedifer
Hartley..... GuardSmedley (Sharp)
Goals: Little, 7; Fenno, 1; Williams, 1; Boryer, 1; Smedley, 2. Goals from fouls: Fretz, 8; Little, 2; Hartley, 1; Williams, 1. Referee, Durbin.

Basketball Extra!

And now it is rumored that the Married Men are getting so cocky that they're thinking of challenging the All Stars of Narberth. All right, you Married Men, if you don't know when you've gone far enough, don't blame us for what may happen to you.

THE DANCE.

The dance given last Friday evening was very well attended and everyone had a good time. We hope the Dance Committee will have at least one more dance before the season closes.

THE BOY SCOUT PLAY.

Let us all turn out and help to support the Scouts by attending the annual play. Last year the boys gave a very good one and expect to surpass it this year.

1921 DUES.

Your American Legion weekly has stopped coming if your 1921 dues are not paid. Get on the right side of the ledger and receive your weekly promptly.

VIOLIN QUARTET.

The Women's Violin Quartet of the Women's Community Club of Narberth practice every Friday at the home of Mrs. Joseph Barclay, 312 Essex Avenue.

If there are any newcomers in our town who play the violin and wish to join us, write Mrs. Barclay, or phone Narberth 1617-J.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsmen, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost no more than 10 cents each issue for 2 lines; 5 cents for each additional line

AMENDMENTS TO CIVIC ASSOCIATION CONSTITUTION.

The constitution of the Narberth Civic Association has served since its adoption until the present time as originally written.

Conditions, however, have changed so that several amendments seem necessary in order that the organization may better function under conditions as they are found today.

The original constitution did not provide for non-resident members, and as the borough as a community has spread over its boundaries it is desirable that such provision be made.

It is also desirable that members who have been active in the past shall keep in touch with the association through an honorary membership.

One amendment provides for 12 Directors, 4 to serve for 3 years, 4 for 2 years and 4 for 1 year, instead of the 18 Directors elected in 1920.

Regular meetings of the Board of Directors are to be held at least once each month, except during the months of July and August.

An "Order of Business" for Directors' meetings has been included as an additional section.

According to the old constitution a bulletin board was used on which to post notice of meetings, which answered the purpose in the Narberth of 1913 and 1914, but written notices are more in keeping with the present time and a greater Narberth.

Notice of these amendments, which are to be proposed at the annual meeting on March 31st, have been mailed to all voting members.

R. R. TO STRIP OVERHANGING CLIFF

The Philadelphia & Western Railway Company has completed plans for the removal of thousands of tons of stone and rock from the cliff overhanging the tracks of the railroad south of the Gulf Mills station. The huge cliff at this point has been considered dangerous for some time, and it is said a part of it is liable to slide, as it did about a year ago, when the tracks were covered with debris. Because of this condition the company decided to remove a large portion of rock which borders on the north-bound track at a curve in the roadway. While the excavation is in progress all trains will use the southbound track at this point.

TRY THE NINETEENTH HOLE.

The president of the Society of the Permanently and Voluntarily Unemployed had come to the end of his rope and was violating his code by seeking work.

"So you want a job," said the keeper of the golf links. "What can you do?"

"Well," replied the applicant judiciously, "I was thinkin' I might go around and color up the gone-to-seed dandelions so they won't look like golf balls."

We must say right here that these results are altogether due to the extraordinary and forceful training of Prof. Niece. FOR YOUR OWN GOOD, DON'T FORGET APRIL 15 AND 16! SCHOOL AUDITORIUM.

Plan to Open New Tennis Courts by May 7

(Continued from Page 1)

if the plans now under way are to be consummated.

"As is known, your Board has made a number of requests for co-operation of the members in the performance of the physical work necessary to transform the grounds acquired into suitable tennis courts. This work was begun in the late fall of 1920, and it will be prosecuted vigorously this spring. Your Board estimates that the saving in labor costs so far effected has approximated \$400. Due to the still uncertain condition of labor in its contractual relations, your Board has been forced to base its estimates for the coming year upon the expectation that volunteer labor would be available in sufficient numbers to do the work. Your Board feels that it cannot too strongly put the case before the Association. To hire the labor necessary to do the work will cost more than the Association can afford. The alternative would seem to be the selling of more certificates to the members. Briefly, as your Board views it, it is a case to the members of "work or buy." Your Board believes that once this fact is understood by the members, there will be a greater willingness to make the necessary personal sacrifice of time and social activities in order that the work may go forward as planned.

"Your Board has fixed the date of Saturday, May 7, as that of the opening of the new grounds, and is particularly anxious that that date be observed.

"In conclusion your Board feels that it should formally express its deep sense of appreciation of the work done by the various Committees during the winter in furthering the work of the Association.

"Particularly is this true of the Entertainment Committee and of the Ladies' Committee named by the Entertainment Committee to assist it.

"Respectfully submitted,
"E. MILLWOOD JUSTICE,
"WALTER N. SHAW,
"C. LAURENCE WARWICK,
"ALBERT G. STEPHENSON,
"W. R. D. HALL, Chairman."

Women's Community Club

(Continued from Page 1)

places his beak low and gradually raises it until it is high in the air, as he is sending forth his deep notes.

Mr. Seoville described the air stroke made by the wings of the rough partridge, the acolian harp tones of the Wilson snipe, and the vesper song of the woodcock. A most interesting experience of the speaker was with a mother fox and two cubs at Darby Creek.

As to snakes, he claims the only ones to fear in this section of the country are the copperhead and the rattlesnake, and that they would be hard to find. Flowers were not forgotten. Special mention was made of the French Fly Orchid to be found at Cape May the first of August. The final appeal of Mr. Seoville was to "Find the Way into the World of the Wildfowl."

Other features of the program were a legislative talk by Mrs. A. B. Ross, in which she explained the cause for the Sheppard Towner Bill not having been passed, urging renewed efforts for future legislation. Mrs. E. C. Batchelder read poems entitled, "Out of Doors" and "Green Things Growing." Miss Cordelia Siegfried, of Philadelphia, sang, "Until," "The Cry of Raehel" and "A Dream," with Mrs. Joseph Barclay at the piano.

Those in charge of the social hour were Mrs. C. P. Fowler, Mrs. F. P. Dunlop, Mrs. Carl Grace, Mrs. William Mitchell, Mrs. William Nash and Mrs. A. B. Ross.

The card party given by the Club for the benefit of the Building Fund was a success in every way. Some of the members of the Club who are not living in Narberth came back to meet their friends, and many of the Club members' friends from the home town joined in the evening's games and dances. The room was made attractive by appropriate decorations, pleasing gifts were given, and delightful refreshments served. Everyone went home happy.

"Husbands and Housekeeping," from Mrs. Sturgis' "Personal Prejudices," was read at the Literature Class of the Women's Community Club at its regular meeting on Monday morning. The rest of the program was devoted to a discussion of Edith Wharton's "Age of Innocence," until the meeting closed with the reading of Bliss Carman's "Spring Song," which begins:

"Make me over, Mother April,
When the sap begins to stir."
There will be only a few more of these meetings this season, but any member of the club who is interested, will be cordially welcomed.
